

Dear Horstead Centre,

Thank you lots and lots for the wonderful time we had at Horstead (It was great fun!) I thought the best activity was the climbing tower, I climbed all the walls! My 2nd favourite was probably the high ropes course because I got all the way round by myself and I felt really proud! My 3rd favourite was conceing and splonkey because I learned lots and had fun, my 4th was the low ropes... but I loved getting muddy in the tunnel!

All the staff were really friendly, I'd love to see you some, again and stay in Salhouse.

Thank you,
Daisy
