The Horstead Centre is a long-established provider of affordable, challenging, outdoor experiences delivered by a qualified, professional and friendly team in a safe, homely and welcoming environment. We are open all year.

At the heart of our homely residential activity centre is the majestic Georgian Rectory retaining many original features. We offer up to 65 bed accommodation across a variety of rooms, including single and twin rooms for leaders and bunked dormitories for our younger visitors. Attic rooms, the original grand staircase, fireplaces and a labyrinthine room-layout all adds excitement and a sense of history to the Horstead residential experience.

Our large walled garden, lounges and fully-equipped games room offer plenty of space for daytime and evening entertainment: pool, table football, table tennis, film nights, arts and crafts, socialising and more. Our spacious and light dining room can seat 45 comfortably and we offer full-board or self catering options for visiting groups. We also have a specially designed room dedicated for prayer and peaceful reflection.

Our dedicated team understand that all children are individuals and our professional instructors will work with each of them to ensure they exceed their own expectations and remember their visit for all the right reasons.
